- Choose correct course:

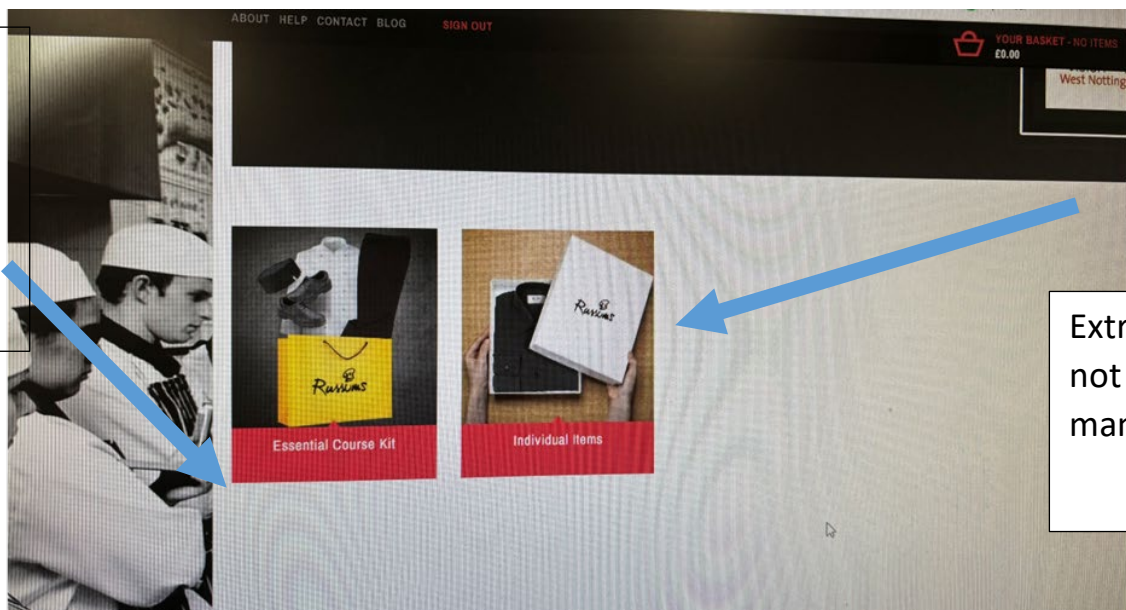

Select the correct course level 1 or level 2

The 2 options are: essential course kit, which will detail clothing & knives and the individual items, if you want to buy an extras or top up current kit (maybe useful for any progressing students)

- Once you enter essential course kit, you will need to press select and you will be asked to provide sizes. We recommend you allow some extra room in clothing as you will be working in a hot environment and you do not want your chef uniform to be too tight.

Essential kit is required to be purchased

Extra items not mandatory
