

## **Induction Health Sciences and Social Care**

We're really looking forward to welcoming you to your induction and hope you are looking forward to starting your course with us.

Induction will be over two days\* and each day will start at 9am and finish at 4pm. One of these days may be a tutor directed activity and you will not be expected to attend college on this day

All induction days will be at the Derby Road site.

All classes will be split in to 2 groups and you will attend with the group that you are placed in by your tutor. Your tutor will contact you after enrolment, to let you know which group you will be placed in.

Students who are returning to college, will be sent a message when to attend college for induction as you will have been automatically enrolled to your course.

### **Week 1 of every course starts W/C 7<sup>th</sup> September 2020**

Due to the current situation with COVID 19, for most groups all sessions will be delivered 50% online and 50% on site (one week in college, one week remotely at home). When you are not on site, you will be working online via Microsoft Teams. Your tutor may deliver some of these sessions from the classroom or you will be given on line tasks to do.

You will be given your course timetable during induction. Please ensure your mobile phone number is accurate when you enrol, as tutors will send a text message (after enrolment) to remind you when you will be on site. If you are concerned, please email your tutor after enrolment.
