

Induction information

Congratulations on securing a place on the course and thank you for choosing to study Travel and Tourism; we look forward to welcoming you to the college for your induction!

Induction is all about helping you get to know the staff and each other and helping you settle into the college environment. This will also give you a taste of the course, what you will learn and help you to prepare to study.

To help reduce the risk of COVID-19 through social distancing, each group will be split 50/50 into two groups (X and Y) – once you have enrolled, you will be told which group you have been allocated and we will confirm the days you need to attend college for induction. You will only attend college on the days allocated for your group.

Each group will attend one day in college and one day completing independent/online activities from home.

Induction times and dates for each course are listed in the table below:
