

Activity: Over the following pages you will see a list of all the units that are studied on each pathway together with the names of the tutors written at the side.

Part 1: Turn to your pathway and familiarise yourself with the different units you will study on the course.

Part 2: Make a list of all the units together with the names of the tutors you will see noted next to each subject.

Part 3: Use the space provided to note down any questions you have of those tutors. If you have already applied then you will be receiving an invitation to our Teams Live Event on 25 June 2021 where you will get an opportunity to ask your questions. Alternatively, if you are not quite ready to do that, you can fill out the form online at the 'Ask your Tutor' section on the Applicants section of the West Notts College website and email your questions directly to us.
